**Subject:** Regulation AA

Jun 23, 2008

Federal Reserve Board Email comments

Dear Email comments,

it's time to put these criminal CEO's and their cohorts in jail for the "business" practices they are perpetrating on the public. Uncle sam used to put the mafia in jail for the very same criminal tactics that banks & investment houses are now doing with the approval of this regime.

.

Sincerely,

Mr. brian laddy
