**Subject:** Regulation AA

Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

Please help our children much less us..Our parents used to talk about how terrible loan sharking was-we don't need to have them anymore because we now have &quot;legal&quot; loan sharks now.

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely,
