**Subject:** Regulation AA

Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

It's about time the Feds do something about this abusive lenders especially now that everybody's experiencing some sort of a hardship. Thank you, Fed.

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely,
