Federal Reserve Board

Dear Federal Reserve Board:

I would like to have the choice up front to enroll in an overdraft loan program. Please require the banks to give me that choice before charging me a fee.

Most of the people who get hit with repeated overdraft fees can least afford it. We have enough unbanked people in this country as it is.

Require financial institutions to separately report checking account fee revenue for insufficient funds and for overdrafts. That way we will know how much money they make off this unfair and deceptive practice.

Sincerely,

Alisha J. Ricks
