Federal Reserve Board Email comments

Dear Email comments,

Thankfully I am smart enough to keep myself out of debt, by not using any credit cards! Unfortunately, thanks to slick marketing, too many other people have been tricked.

With gas & food prices rising every day, people cannot afford to be gouged out of anymore money by the greedy credit card companies. Please support legislation to keep the credit card companies under control!

Thank you!

Sincerely,

Mrs. Jennifer Heavilin
