Federal Reserve Board Email comments

Dear Email comments,

It isn't fair for the banks to be getting such low interest rates for themselves and to be paying so little to those of us with CD's. Their fees are outrageous and unfair. We need some fair banking laws. Can't you see that as having a negative effect on the nations economy? Why is everything so one-sided in the favor of banks and corp?

.

Sincerely,

Mrs. Joanne Potter
