Subject: Regulation AA

Dear Email comments,

The banks and credit card companies must be regulated and prosecuted.

Currently I am still waiting to be reimbursed for being cheated on fees charged for foreign exchange transactions from 1996 to 2006. All of us were offered \$25! There is a possibility that we might not even get this much.

Congress should work for us not against us in regulating the many ways that the financial institutions are taking advantage of the public.

Sincerely,

Ms. Aya Pena
