Federal Reserve Board Email comments

Dear Email comments,

The Credit Card Co. invited me in with the deception of one interest

rate however shortly after they raise it to 29%. The balance never goes down with that interest rate tacked on! Even though I live in NY since their main offices are in another state and they say they can change the interest rate. This does not make any sense.

Sincerely,

Ms. Susan DiRienzo  
1813 Route 6  
Carmel, NY 10512-2316
