Subject: Regulation AA

Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

Please call in these suit wearing theves in the credit industry. They have ruined the lives of many of us "little people". Remember, yall work for us, the American citizens- not to the highest bidder lobbyist, in this case the credit and banking industry.

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely,
Marc Tuton
