Subject: Regulation AA

Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

Dear Federal Reserve Board,

I have been hit with what I believe to be unfair treatment from my credit card company. I received late bills that didn't give me enough time to pay on time, then was penalized for my payments being late. My interest rates were raised also. My balance, keeps growing every month. This is NOT what I signed up for. It seems to have gotten really bad in the last year or so.

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely, Carol de la Sotta.
