Federal Reserve Board Email comments

Dear Email comments,

Pass No. R-1314 ASAP.

The banks have gotten us into our present mess through their disgusting abuse of trust. Greedy little so and so's. I'm too busy trying to make a full time job out of protecting myself and the American People from further abuses. You have to do it because in my opinion that's your full-time job. So do your job.
Take a stand for the American Consumer.

.

Sincerely,

Mr. Graham Hubbel
