Federal Reserve Board Email comments

Dear Email comments,

It is outrages banks and credit card companies, the amount of money they are allowed to charge to consumer. Before loan sharks were charging %15, 20 it was against the law and now credit card companies

and banks are charging % 35, 40. This practice must be stopped they are out of control. Government has to step in close all the loopholes and regulate to protect Americans getting burn every day.

.

Sincerely,

Mr. Ugurhan Kosereis
