Dear Email comments,

Guys, a good place to start would be making USURY a Serious Crime once again !! When I was a child USURY was illegal , immoral and unchristian I even have the perfect punishment for USURY , and , it's just way too Old New England For Words !! Place ALL of these Vile and Hideous USURERS in Public Stocks on The Commons Green !! Deny them food and water !! Once the crows have picked clean their bones dump the remains in a common pit at The Crossroads !! Hell , local kids can even use them as target practice , using Salmonella Tainted Tomatoes and Rotten Eggs , as they await The Grim Reaper and The Red Sox might find some promising New Pitchers in the process !! /Now , that would be Poetic Justice !!!!!

Sincerely,

Mr. Brian Napier
