Federal Reserve Board Email comments

Dear Email comments,

Please take control of the abusive practices credit card companies

employ. I have a card that had a low interest rate that was fixed. They raised my rate because they felt like it. No late payments ever. All I did was carry a balance on the card which I usually don't do. They doubled my interest rate. I don't give the crooks the opportunity to take advantage of me in other ways.

Sincerely,

Mr. Scott Beil
