Federal Reserve Board Email comments

Dear Email comments,

I have been an excellent on time paying consumer on my credit cards for years. As a 'valued customer' what do I get? An interest increase!! One of the cards went to 24% and I had NEVER had a late payment!! I guess that what it means we've been taken to the cleaners, via the credit card companies.
Lets stop this insanity with ridiculous fees!!

Sincerely,

Ms. Evelyn Ries
