Federal Reserve Board Email comments

Dear Email comments,

I recently had my interest rate doubled on an existing balance of \$3000.00 by Capital One. I had never been late and always paid about \$300.00 every month. It took 6 months but I paid them off and cancelled the card. When I tried to contact them about it by phone I could not contact anyone. I sent an email and letter to them and they said I must contact by phone which I found impossible.
George Leonard

.

Sincerely,

Mr. George Leonard
