Subject: Regulation AA

Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

Several times, I've had the bad experience of opening my monthly bill statement from the mail, just to realize that the due date has been moved sooner than the others. Where in some cases I've had to pay late charges.

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely,
Abed Chevres
