Subject: Regulation AA

Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

Credit card companies already make a lot of money with what they charge, we should not let them get away with these outrageous extra charges and deceptive ways.

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely,
Ally Schliem
