Dear Email comments,

Help! The banks are robbing us blind with overdraft and many other charges which are usurious.

Just think: you buy a \$5.00 item with your debit card, but your account is overdrawn. Now that \$5.00 item costs \$39.00. Instead of just refusing to allow the \$5.00 charge, the banks are having a field day charging huge overdraft fees.

This practice and others have got to stop!

.

Sincerely,

Mrs. Deanna Young
