Subject: Regulation AA

Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

Its about time the government take the side of honest consumers and people who is at the mercy of the big banks and credit card co.that rip us off all the time and nothing is being done about it.

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely,
