Federal Reserve Board Email comments

Dear Email comments,

We have been through a nightmare. Late fees tacked on,\$40.00 or \$50.00 each time, interest rates go up without any notification,charges we don't even know what they are for and trying to talk to a real person---good luck! It is insane and we are fed up! Things need to

change and NOW! We are for the most part hard working,honest people who just want a fair shake,its time we get it. Thank you for your time.

.

Sincerely,

Mrs. Brenda King
