Federal Reserve Board Email comments

Dear Email comments,

Where ,oh where did our concept of USUARY go??? Just because an entity

THINKS they can do something...doesn't mean they should...especially to their own citizenry[presuming of course, they have no foreign influences]. Frankly ,I don't think that our Government should be so uninformed about the base ownership of major banking entities,as well as all major industries in this country.

.

Sincerely,

Ms. Gini Mirro
