Subject: Regulation AA

Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

Isn't loan sharking illegal in this country? So how is what the credit card companies are doing any different? When are THEY going to be held accountable for their illegal practices?

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely,
