Subject: Regulation AA

Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

I think Credit Card companies issuing credit cards to college students without a parent co-signer should be illegal. What they are doing to keep people in debt is deplorable. Please help!

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely,
Debra Marcus
