Subject: Regulation AA

Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

The predatory and unregulated practices of the credit card companies and the moneylenders found in almost every neighborhood stripmall in this country are killing our country's citizens' hope and possibilities for self-sufficiency and productivity daily. WHY HAS THIS BEEN ALLOWED TO EXIST, MUCH LESS CONTINUE, FOR SO LONG? Please put an end to this national immoral and unjust blight for once and for all. Thank you, June Lovejoy.

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely,
June Lovejoy
