Dear Email comments,

Someone needs to stand up to big business for the working class. It will not be the wealthy that pay fees--it will be those in the lower income brackets. Those who are losing their jobs due to outsourcing and the selling out of our country. While you are at it, go after all

bank fees--if you are even a penny short, they charge \$70 and more--for what? It is highway robbery and it is legal.

.

Sincerely,

Mrs. Linda Keveloh
