Federal Reserve Board Email comments

Dear Email comments,

Please stop credit card companies from raping the consumer. It is

ridiculous to be charge a late fee if my payment is mailed and received  
the right day but not in the right hands by 9:00 am of the day due.

Half the time they are not mailing them in enough time to get payments

back to them in time, unless you use automated payment, I feel i should  
have a choice on how to pay not be forced to use whats convenient for  
them.Sincerely Kerry Neubauer

.

Sincerely,

Miss kerry neubauer
