Federal Reserve Board Email comments

Dear Email comments,

Finance charges, fees, etc have gotten so out of control with credit cards that I now sometimes have to decide what is the leaser of two evils; pay the extra amount on a credit card to help pay down the principal or feed myself! They (the banks) are out control! How can I put any money back into the economy when all I do is give it to the banks?!

.

Sincerely,

Ms. Angela Wolf
