Subject: Regulation AA

Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

Please help make credit cards more fair. I'm a young adult starting out and its hard enough to make it, let alone being taken advantage of by credit cards.

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely,
Jamie Schiessler
