Federal Reserve Board Email comments

Dear Email comments,

Am sick and tired of the high interest rates and all the fee they
attack to your credit. if you pay by phone the charge for pay on line
they charge you for it if your late they charge you for it well dont
they think they take enough money from you interest and god bidden you
should have good credit they make you suffer and pay for that too it a
no win give us back our rights

.

Sincerely,

Ms. joann donato
