Jul 1, 2008

Federal Reserve Board Email comments

Dear Email comments,

Please reel in the ridiculous and obscene charges that credit card companies and banks have been charging. Hiking interest rates unless you pay within 30 days, applying monthly payments to low interest debt first, not giving you enough time before the bill and the due date, and charging interest on debts paid off the previous month are all unacceptable practices and should be illegal. Enough is enough!

.

Sincerely,

Ms. Bonnie Bock
