Subject: Regulation AA

Jun 27, 2008

Federal Reserve Board Email comments

Dear Email comments,

Please help!!

Credit card companies are out of control and need additional regulation.

Please, stop companies from hiking interest rates on existing balances. Stop them from applying monthly payment to low-interest debt first. Give us more time between the bill and the due date so we can always pay on time. Stop interest charges on debts paid off the previous month.

Thank You.

.

Sincerely,

Mr. Jay Lehnem
