Federal Reserve Board Email comments

Dear Email comments,

Please enact the new credit card rules. With out these tough rules, banks will continue to bait and switch, change their own rules and rates at their own whim, and hide what they don't want commonly known with reams of fine print. This nickle and diming the consumer yeilds millions of dollars, which supports their lobbists. Please ignore their pleas and hear the voice of the consumer!

.

Sincerely,

Mr. Jeff Offenhauser
