Subject: Regulation AA

Jul 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

Stop the predatory lending practices now. Bring back the truth in lending act. Re-regulate the kleptomaniacs and put the fraudsters in jail. If you think the mortgage bubble burst was bad just wait until the credit card bubble burst. You haven't seen anything yet. The recession isn't over it has just begun.

.

Sincerely,

Mrs. Brenda Hall
