Comments Federal Reserve Board

Dear Comments Federal Reserve Board,

Just like a previous poster, Jim Ellison from Oregon, Bank of America Credit Card shifted the Due-date to well with-in the 30 day billing cycle [try 21 days] because I paid it all off except for \$60 with 3 payment in the one month. I made the payment on-time anyway. Yes, they said in the Credit Card Agreement due dates would change but where is the common sense. I just Just another trick to get another charge snuck in. I don't know how these people can sleep at night. Sincerely, A. Striker, Washington, DC.

The new proposed credit card rules curb some abusive lending practices that drive consumers deeper in debt. I urge you to implement these rules to provide relief to people like me who just want a fair deal from credit card companies.

Sincerely,  
Adam Stryker
