Jun 3, 2008

Federal Reserve Board Email comments

Dear Email comments,

Credit card companies are making obscene profits at the expense of consumers. Many of us are struggling to pay high credit card fees even though we pay on time. There is nothing wrong with a business making

profits, however they do so by deliberately gouging consumers and using unethical tactics to squeeze as much money as possible from us.

Sincerely,

Ms. Laura Almasan  
168 Villa St  
Elgin, IL 60120-6537
