Subject: Regulation AA

Jun 3, 2008

Federal Reserve Board Email comments

Dear Email comments,

Before lobbyists bought off congress, there were usury laws. Now there are none.

How about reinsatating OUR rights instead of JUST corporate rights?

Limit charges for interest, force plain English wording of contracts, limit exhorbitant "fees" that prey on the helpless and uneducated.

In other words, how about representing your constituency for a CHANGE!!!!!!!!!!!!

Sincerely,

Mr. William Head
