Federal Reserve Board Email comments

Dear Email comments,

I have been constantly appalled by the dishonest way that credit card companies operate. Although I am basically a modle consumer, I frequently have to call and get some unfair charge removed. Yet at the same time I am barraged with offers for higher limits and more cards. I am tired of all the rules being tilted to the banks favor. I urte you to put some teeth into the regulation forcing credit card companies to operate fairly.

Sincerely,

Mr. Brooks Ballenger
