Subject: Regulation AA

Jun 4, 2008

Federal Reserve Board Email comments

Dear Email comments,

Put some real effort into making sure this bill passes.
The credit card industry needs this reform.
Stop the Credit card companies from hiking interest rates on existing
balances. The only way to level the playing field is for you, our
government representative, to act top reform this industry now and stop
them from taking advantage of people.

Sincerely,

Dr. James Brentt
