Subject: Regulation AA

Jun 3, 2008

Federal Reserve Board Email comments

Dear Email comments,

Regarding credit card rules:

I have my financial planner pay my bills. Her computer crashed, preventing receipt of the reminder to pay my mortgage. The interest rate on my credit cards was increased, although those payments were made on time. My planner paid the penalty for the tardy mortgage payment, but interest on my credit cards has remained high.

Sincerely,

Ms. Carol Thrasher
