Federal Reserve Board Email comments

Dear Email comments,

Please try to get credit card companies from sending unwanted ads for credit cards. Have them send along with the ad a form to fill out and send back that you do not want anymore ads from them. I get too many of them as it is and it seems I cannot stop them. Also when you are given a 0% interest on something for a year they should not be allowed to add the interest for the whole year when you fail to pay within the year. The interest should start at the end of the year and not the year they supposedly gave to you at 0%. Thank you.

Sincerely,

Mr. Charles Brumleve
