Federal Reserve Board Email comments

Dear Email comments,

All credit card companies are abusive and changes rules anytime they

feel like it. Late fees plus whatever they want to charge just because u forgot the day and they treat u like it happen all the time w/o even looking at your payment history. On top of that they change your interest rate.....abusive just as cell phone companies.

Sincerely,

Mr. Roberto Lopez Lebron  
9902 E Biswell Dr  
Claremore, OK 74019-5190
