Dear Email comments,

To whom it may concern,

when considering your proposed credit card rules please do so and do so quickly! My Credit Card Co. likes to change the due date from month to month so you have to play the guessing game as to what day it will be due so you don't acquire late fee upon late fee! No other businesses do this. I don't feel it is legal or fair.

.

Sincerely,

Mrs. Lisa Hans
