Dear Email comments,

I borrowed money at the bank to pay off my credit card. My banker called and got the payoff. I gave her my information. She paid it off in full with part of the money I borrowed. The credit card company claims I owe more money because interest accrued between the time, I told them I would not pay it and now they are sending me bills every

month and adding late charges \$29 per month to the balance they claimed I still owe.

.

Sincerely,

Ms. Bonnie Lane
