June 6, 2008

Federal Reserve Board

Dear Federal Reserve Board:

PLEASE PLEASE PLEASE support this bill. The credit card industry has engaged in deceptive practices for far too long and has proven they can not be trusted on their own. All this bill asks for is some basic rights to card holders to prevent deceptive practices.

It's been far too long that credit card companies has cheated card holders out of money with changing interest rates and retroactive adjustments to interest rates.

Sincerely,

K Curtin
