Dear Email comments,

I'd rather do business with the mafia than fool with these out of control credit card companies. Or maybe they are the mafia. In any case, I'd like to encourage you to clamp down on these despicable white collar criminals as soon as possible. They have proven themselves to be greedy, dishonest and manipulative, and have caused untold hardship on the poorest of our citizens. They must be brought under control.

.

Sincerely,

Mr. David Shelton
