Federal Reserve Board

Dear Federal Reserve Board:

I am happy that you are telling card issuers that they cannot change my interest rate and apply it to purchases that I have already made and have begun to pay back.

It is unfair to change the interest rate on the whole balance, especially when card holders are only one day late! I agree that 30 days late is late -- one day is not late!

Please also take action to stop lenders from raising my rate because of problems they have, like market conditions.

Please limit penalty interest rates. Some of today's rates are usurious.

You should put a cap on interest rates!

Do not let credit card issuers convince you to change your proposed plan.

I support the Federal Reserve plan to rein in some of the worst practices of credit card companies.

Sincerely,

Aliem Jumpp
