Subject: Regulation AA

Jun 7, 2008

Dear Email comments,

PLEASE, PLEASE, both of my underage college children fell victim to credit card sharking. There's nothing else you can call it than the abuse of charging interest on balances on you already and hiking interest rates even when you are paying on time. Their legal agreements are written for attorneys, not for consumers. They are

taking in 30 to 40% interest. NOW THAT'S LOAN SHARKING. REMINDS ME OF THE RATES PEOPLE TO THE GODFATHER AND TONY SOPRANO!

Sincerely,

Ms. Banetta Leemon
