Subject: Regulation AA

Jun 10, 2008

Federal Reserve Board Email comments

Dear Email comments,

Credit cards are a necessity in today's economy. You must use them to establish a credit history, to rent a car, or hotel room. But, the way these companies take advantage of their customers makes them no more the thieves. Loan sharking is illegal. Abusive practices by credit card companies ought to be illegal also.

Sincerely,

Ms. jean ananbeh
