Federal Reserve Board Email comments

Dear Email comments,

Time between bill & due date so we can pay on time is critical; the USPS usually takes 5 days to deliver mail (& this is in town).

And stop them from applying my monthly pmt to low-interest debt first - & why does it take so long for some companies to post?

Stop interest charges on debts paid off the previous month. And, unless late, stop them from hiking interest rates on existing bal.

Sincerely,

Mrs. Dolores Gant
